The first – and most important – step to creating a financial plan is to develop a budget detailing where your money goes (expenses/savings) and comes from (income) each month. Think of your budget like a monthly money guidebook. Creating a budget doesn't need to be complicated either. You can create one by:

At the northern part of the Ten Thousand Islands on Florida's gulf coast, there is magical world of pristine, unspoiled, mysterious mangrove forests, protected waters, and uplands. The Rookery Bay National Estuarine Research Reserve occupies 110,000 acres of one of the last remaining North American mangrove estuaries undisturbed by human ...
